

Lancaster Liederkrans Volunteer Interest Form for Members

Please bring completed form along to your orientation class or return it to the Club!

Without our volunteers, our Club could not exist as we know it. It is an expectation that new members will continue this proud tradition of service. Not only does volunteering make the Club successful, it enhances the membership experience. Volunteering is the best way to grow new personal relationships and be actively involved in the vibrant culture of the Club.

How is information about volunteer opportunities shared across the Club?

- Read announcements in the bi-monthly newsletter and/or weekly Club emails
- Review the Volunteering page of the Club's website (and also see the Cultural Organizations page for more information on trying out one of the acclaimed song and dance groups!)
- Contact area committee chairs to offer help (this completed form will be shared with them)
- Attend the annual Spring volunteer sign-up day and speak to area committee chairs

NOTE: Most of the volunteer shifts ask for a two-hour commitment only, while other opportunities state 'show up and stay as long as you can help'. No one is expected to stay all day (or show up every time)! Most area committee chairs use the software 'Sign Up Genius' for members to sign up to a specific event, task, time and date. The software is linked to the member's email address and sends the volunteer a reminder notice. *All equipment/tools necessary to perform a volunteer position are provided by the Club except when noted.*

Please check if you are willing to assist in any of the Club's annual fest areas of need below:
