**Message from Club member John Freidhoff**

As many of you are aware, this past July 17, we held a fundraiser, here at my house, to benefit St Jude Children's Research Hospital and the Pennsylvania Wounded Warriors. As fate would have it, the weather did not cooperate, and for the most part, we were rained out. Many friends and businesses supported this effort and we raised close to \$ 7000.00 for these great causes. I was personally disappointed however that the event did not come off in the manner that was rewarding to all of the supporters.

In order to reward the people who supported this event, we are going to try it again, **Saturday, October 16th, from 7 to 11 pm**. This time, however, will be a bit different. The event will not be a Fundraiser, but a " THANK YOU OCTOBERFEST" for all of the supporters. Anyone who paid to attend the July 17 the event will be admitted FREE. Any business owner who supported this event will be admitted FREE. Any organization who supported this event, - their members will get in for HALF PRICE. {A GREAT example of this would be members of American Legion Post 109, Mechanicsburg}. Any Businesses that we had information/publicity for, will have it distributed again.

This time we intend to create a win-win-win-win situation ... Here is how - - -

\* **We will hold this Octoberfest at the American Legion, Post 109, in Mechanicsburg.** that way we are not weather dependent. The American Legion wins by selling meals, sandwiches, snacks and beverages, therefore making some profit.

\* Our supporters win by knowing that their contributions and efforts are MORE THAN APPRECIATED!

We will publicize them AGAIN at this Octoberfest.

\* The men win by taking their partners out for dinner, dancing, and an evening of fun. And yes, there will be a Limbo contest, a Hula Hoop contest, Masskrugstemmen {a stein hoisting competition - - after all, it is an Octoberfest}, and anything else that we can do to make it enjoyable.

\* The ladies win by having an evening out and feeling "special."

**\*\*\* Any profit from admissions, 50/50 etc. will be split between St Jude Children's Research Hospital and Pennsylvania Wounded Warriors.**

\* **As before, John Stevens Polka Band will supply the entertainment** for all to enjoy. Incidentally, this band plays a variety of GREAT music, so don't let the name fool you. If available, please wear your fanciest Octoberfest Outfit.
